

# 2018 McLaren Senna For Sale

POA €

## QUICK SPEC

Make	McLaren
Model	Senna V8 4.0
Version	P15
Registration Year	2018
Mileage	POA Km - POA Mi
Drive	LHD
Limited Edition	One of only 500 Produced
Exterior Colour	Custom
Interior Colour	Black

## TECHNICAL SPECIFICATIONS

### ENGINE

Cylinders Layout - V8 4.0 litres  
Engine location - Middle, Longitudinally Mounted  
Displacement (cc) : 4.0 litre (3,994 cc / 243.7 cu in)  
Aspiration - Twin Turbo  
Fuel Feed - Indirect Injection

### PERFORMANCE

Power - 789 bhp / 800 PS / 588 kW @ 7,250 rpm  
Torque - 800 Nm / 590 ft lbs / 81,6 Kgm @ 5,500 - 6,700 rpm  
Max Speed (Est) - 300 km/h (186 mph)  
Acceleration (Est) - 0-100 km/h // 0- 62 mph in 2,8 secs

### TRANSMISSION

Gearbox - DCT Automatic Transmission  
Gears - 7 Speed  
Drive Type - Rear Wheel Drive (RWD).

### FUEL

Fuel Type - Gasoline (Petrol)  
Fuel Consumption Combined - TBA (L/100 km) - TBA (US MPG)  
CO<sub>2</sub> emissions - 280 g/km  
Kerb Weight - 1.198 kg / 2.641 lbs

## EXTERIOR

Doors - 2

Colour - Black Carbon & Solar Yellow

Body Type - Fastback Coupe

## INTERIOR

Seats - 2

Colour - Carbon Black Alcantara

## CATALOGUE ESSAY

The McLaren Senna is a 2 door 2 seater Fastback Coupe style automobile with a Mid, Longitudinally Mounted engine powering the Rear wheels. The power is produced by Engine Type McLaren M849TR V8, V-90deg, this powerplant features double overhead camshaft (DOHC), Turbocharged engine with 4 valves per cylinder, 32 valves in total and a displacement of 4.0 litres capacity. The McLaren Senna has an output of 789 bhp / 800 PS / 588 kW @ 7,250 rpm of power, and maximum torque of 800 Nm / 590 ft lbs / 81,6 Kgm @ 5,500 - 6,700 rpm. The engine drives the wheels via 7 Speed DCT dual clutch Automatic Transmission with manual shift mode. The McLaren Senna Quoted kerb weight is 1.198 kg / 2.641 lbs. Estimated Top speed is 300 km/h (186 mph) and is said to be able to manage 0-100 km/h // 0- 62 mph in 2,8 secs.

The most obvious is the Visual Carbon Fibre exterior, consisting of 67 parts and taking almost 1,000 hours to produce. MSO has combined that with yellow detailing on the sills, rear wing and front active aero blades - another 250 hours of work - along with green brake calipers, the two colours a nod to the helmet design of Ayrton Senna. Those two hues are carried through into details of the interior, such as the stitching, in stark contrast to the Carbon Black Alcantara trim. In addition, the legendary driver's familiar 'S' logo appears on the headrests but also on the end plates of the Senna's enormous rear wing, achieved by embedding the logo into the carbon fibre panel.

Of perhaps more interest to us, this car also features new MSO aluminium/carbon hybrid wheels that are 10% lighter than the standard aluminium Senna rim. Senna customers can also specify red or blue centre lock wheel nuts to go with them, if they're feeling so inclined.
